II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

(See Attachment #3)

Attachment 3

III. Statement of claim

Something always seemed off and not quite right with the way my children's grades and GPA were displayed on Powerschool and in 2022 the fraud surfaced of multiple staff members employed with L'Anse Creuse Middle School North, L'Anse Creuse High School North and L'Anse Creuse Public School System; Illegally manipulating the Powerschool and Schoology systems and illegally Falsifying Public School Records which resulted in my children being overlooked for school awards, academic scholarships and grant opportunities that they otherwise would have been eligible for, the opportunity to be valedictorian, salutatorian as well as kept them ineligible to have their California, New York and Illinois entertainment permits renewed from 2022 until the present.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

(See Attachment #4)

V. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

IV. Relief

Seeking 655,640 dollars in actual damages for my children's missed Scholarship and Grant opportunities, missed opportunity to be class Valedictorian, Salutatorian, 1 year of salary wages as well as loss wages for modeling and acting jobs that could not be sought after because the California, New York and Illinois licenses were not able to be renewed during the time of these offenses. I'm also seeking pain and suffering due to the unnecessary stress and anxiety these actions are continuing and they continue to display false/ manipulated grades that give the false fabricated impression that my children are not doing satisfactory in their academic classes which resulted and continues to result in a False /Fabricated reporting of a lower grade and lower GPA then what has actually been achieved.

Seeking Punitive damages in the amount of 150 million dollars because the actions of these defendants are wrong and when anyone who took an oath to protect and to serve are found out to be doing the exact opposite they do not deserve to continue to carry the title that they hold and anyone who thinks they should be able to get away with such deplorable deeds should have to pay the consequences for their action and I hope this dollar amount sends a strong message to anyone thinking of doing this to another child and thinking they will get away with it; to think again.

The JS 44 civil cover sheet and the information contained herein neither replace nor supplement the filing and service of pleadings or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet.
